Week Commencing ~ 5 August 2013 ~ Issue #1223

SINGLES. Swedish DJ **Avicii** holds on to the top spot again this week with **Wake Me Up**, which scores its fifth consecutive week at No.1. The last Swedish artist to achieve more consecutive weeks at the top was **Roxette**, who spent six weeks at No.1 with **The Look** (No.1 July '89). However, if he equals **Roxette** next week **Avicii** will still have a long way to go to beat Swedish megastars **ABBA**. They held the top spot for a whopping fourteen consecutive weeks with **Fernando** (No.1 Apr. '76), the most weeks for any Swedish act. After performing at *Splendour In The Grass* as a last minute addition, New Zealand singer **Lorde**, moves in to the No.2 spot. Could **Lorde** be the act to stop **Avicii**'s run? Watch this place next week. **The Love Club EP** replaces **OneRepublic**'s **Counting Stars** which falls to No.3. US pop duo **Karmin** score their first ever top five hit with **Acapella**, moving four positions to No.4. The biggest rise this week comes from **Imagine Dragon**'s **On Top Of The World**, which jumped to No.23 this week after debuting at No.88 last week. It gives them their third top 50 appearance for the year and joins their previous single **Radioactive**, which is still riding high in the chart at No.9 this week.

No.29 LOVE MORE – Chris Brown Feat. Nicki Minaj. **Love More** is the third single to be released from **Chris Brown**'s sixth album **X**, due out this month. The track features **Nicki Minaj**, who **Brown** had previously collaborated for **Minaj**'s single, **Right By My Side**. **Love More** becomes the second single from the album to hit the Top 100 following on from **Fine China** (No.26 Apr. '13). **Brown** is yet to match the success of his ARIA chart debut, **Run It!** (No.1 Jan. '06) which has been his only chart topper. The closest he has come since was with **Don't Wake Me Up** (No.2 Jul. '12).

No.30 TIME OF OUR LIVES – What About Tonight. After making the finals of last year's season of the *X Factor*, **What About Tonight** have reformed and released their new single **Time Of Our Lives**. It is their first song to chart since leaving the show. The group is made up of **Brock Jays**, **Luke Howell**, **Tyrone Georgiadis** and **Wade Smith**. During their time on the show, they managed to crack the Top 100 just once with **Year 3000** (No.97 Oct. '12). The original was by **Busted** and it reached No.42 in April 2003.

No.67 BABY I – Ariana Grande. **Ariana Grande** is a US actress making her transition in to the music world. **Grande**'s release of her upcoming debut album **Yours Truly** is set for September. **Baby I** is the second single from the album and becomes **Grande**'s second entry to appear in the ARIA Singles chart. It follows on from **The Way**, which hit its peak of No.37 earlier this year in April. **Baby I** debuted at No.21 on the US Billboard Hot 100 this week.

No.74 THE WAY IT USED TO BE – Mike Posner. **The Way It Used To Be** is the fourth Top 100 single from US singer/songwriter and producer, **Mike Posner**. It is taken from **Posner**'s second album **Pages**, which will be released later this year. **Posner** made his ARIA chart debut with **Cooler Than Me** (No.4 Oct. '10) and was last in the charts with **Bow Chicka Wow Wow** (No.40 May. '11). **Posner** has also produced and written many songs for other artists, including **Boyfriend** (No.5 Apr. '11) by **Justin Bieber** and **Labrinth**'s **Beneath Your Beautiful** (No.5 Mar. '13).

No.83 HEARTS LIKE OURS – The Naked And Famous. New Zealand indie band **The Naked And Famous**, are back on the charts this week after the release of their new single **Hearts Like Ours**. The single is taken from their second album **In Rolling Waves**, which is to be released in September. The band made their ARIA chart debut two years ago with their highest charting single to date, **Young Blood** (No.26 Feb. '11). They were last in the charts with their only other Top 100 single, **Punching In A Dream** (No.56 Feb. '11). The band is set to tour Australia next year with **Big Day Out**.

ALBUMS. After scoring their first ever No.1 album last week with **Asymmetry**, **Karnivool** have been knocked off the top spot by the ever consistent **P!nk**. Her album **The Truth About Love** chalks up another week at the top, now totaling eight weeks. It has now made a return to the top for the third time this year thanks to the success of her national tour. The album now spends an impressive forty-second week firmly embedded in the Top 10 on the ARIA Albums chart. Many artists this week have experienced a post *Splendour In The Grass* sales boost, including **Frank Ocean**'s **channel ORANGE**, which moves to No.11 this week just three positions behind its debut and peak of No.9 in February. This success was despite the fact that his tour was cancelled after just one show due to illness. Other *Splendour* acts enjoying a sales boost include **Of Monsters And Men** with **My Head Is An Animal** at No.17, **James Blake** with **Overgrown** returning to the Top 50 at No.27, **Jake Bugg**'s self-titled debut reaching a new peak of No.19 and **Alt-J** returning to the Top 40 with **An Awesome Wave** at No.25.

No.23 KENSAL ROAD – Kate Ceberano. **Kensal Road** is the first recordings of original material in over ten years for Australian singer, **Kate Ceberano**. It marks **Ceberano**'s first top 50 appearance since **Merry Christmas** (No.17 Dec. '09). **Ceberano** made her ARIA chart debut with **You've Always Got The Blues** (No.7 June '88) and followed it up with her highest charting album to date, **Brave** (No.2 Aug. '89). **Ceberano**'s only other solo album to hit the top five was her collection of covers, **Nine Lime Avenue** (No.4 May '07). Whilst **Ceberano** never scored a No.1 as a solo artist, she did so as a cast member of the first Australian production of **Jesus Christ Superstar**, playing the role of Mary Magdalene. The soundtrack topped the charts in July 1992.

No.24 EDWARD SHARPE AND THE MAGNETIC ZEROS – Edward Sharpe And The Magnetic Zeros. **Edward Sharpe And The Magnetic Zeros** score their third Top 100 album this week, with the release of their self-titled third album. It becomes the highest charting album for the LA indie-folk collective. **Edward Sharpe** is the alter ego of band leader **Alex Ebert**, who along with singer **Jade Castrinos** formed the band in 2007. They made their ARIA Albums chart debut with **Up From Below** (No.74 Apr. '10) and have improved their all-time peak position with each subsequent release. The band was last in the charts with their second album **Here** (No.37 June '12).

No.37 HYDE PARK LIVE – The Rolling Stones. **The Rolling Stones** performed at London's Hyde Park on the 6th and 13th of July this year as part of their **50 & Counting Tour**. Their new album, **Hyde Park Live**, draws from the band's two performances. Last year, to kick off the tour and their 50th anniversary, the band released their compilation album **Grrr!** (No.7 Nov. '12). Whilst the band have scored six No.1 albums over the course of their career, the last album to do so was their twenty-second studio album, **Voodoo Lounge** (No.1 July '94).

No.71 BODY MUSIC - AlunaGeorge. **Body Music** is the debut album from UK electronic music duo **AlunaGeorge**. Made up of **Aluna Francis** on vocals and **George Reid** handling production duties, **Body Music** marks their ARIA chart debut as a primary artist. Whilst the singles from the album failed to chart here, **Attracting Flies**, **Your Drums Your Love** and **You Know You Like It** reached No.17, No.50 and No.55 on the UK Singles chart respectively. As a feature artist, the duo appeared on the ARIA Singles chart on the **Disclosure** track **White Noise** (No.68 Mar. '13).

No.83 TRACING BACK ROOTS – We Came As Romans. **Tracing Back Roots** is the third album from US metalcore band, **We Came As Romans**. It becomes their second Top 100 album. The six-piece made their ARIA Albums chart debut with their second album **Understanding What We've Grown To Be** (No.72 Sep. '11), which remains their highest charting album. Whilst they have not cracked the top 50 here, **Tracing Back Roots** debuts at No.8 on the US Billboard 200 chart this week.
